Understanding and Using Your Benefits

If you're looking for a health care benefit plan that is easy to use and cost-effective, the Blue Essentials plan might be right for you.

What Is the Blue Essentials Plan?

Blue Essentials offers you access to a statewide network of hospitals and doctors. As a Blue Essentials member, you select a primary care provider (PCP) from the Blue EssentialsSM network. You may benefit from having your care coordinated by one doctor. Your doctor gets to know you and your health history, may recognize changes in your health as well as overseeing your routine care and making referrals if you need to see a specialist.

Helping You Budget for Health Care Costs

Blue Essentials is designed to offer:

- Predictable out-of-pocket expenses
- Consistent copayments
- 100 percent coverage of recommended routine care and preventive screenings

Other Benefits of This Plan

You will also have access to:

- Health and wellness programs
- The BlueCard® network, a national network of providers, which includes more than 97 percent of hospitals nationwide, for health care services when you're out of state
- The Blue365® member discount program, which offers exclusive discounts and deals on health and wellness products and services, such as fitness gear, gym memberships, weight loss programs, dental products and more*
- Web and mobile tools

Finding Providers is Easy

Through our Provider Finder® tool, it's easy to find a doctor, hospital or other health care provider that participates in the Blue Essentials network.

Log in to Blue Access for MembersSM (BAMSM) at bcbstx.com/member. To register for a BAM account, all you need are your group and identification numbers, found on your member ID card. BAM is secure and easy to use. When you search for providers in BAM, it will take you directly to network providers only.

By logging in to BAM you can also use Provider Finder to:

- Estimate the cost of procedures, treatments and tests, including your out-of-pocket expenses.
- View patient reviews.
- See how industry experts rate your doctor.
- Review providers' certifications and recognitions.
- Rate your doctor or hospital after your visit.

For basic provider searches, you can also access Provider Finder without logging in to BAM. Just visit bcbstx.com and click on the 'Find Care' tab.

Or, download the BCBSTX app at the App Store or Google Play.

If you need help finding a network provider or have questions about your benefits, call the toll-free number on the back of your ID card.
